This report is a compilation of the Ghost Walk and the group vigils throughout the night.

Bishops Room

<u>Investigator</u>	<u>Activity</u>
Stewart	Connected with the energy of a lady called Elizabeth - Confirmed
Stewart	Connected with the energy of a civil war soldier, could see him pacing up and down the room - Confirmed
Stewart	Felt that 'ladies-of-the-night' would have worked in this room - Confirmed
Stewart	Tried scrying in a mirror - the group saw his face change into one with more devil-like features. Briefly became possessed by another spirit and was heard to mutter "Good evening" in a deep growling voice. - No explanation found
Stewart	Saw a large black figure with long fingers and talons approaching the group. Decided that an immediate evacuation of the room was in order.
Paul	Captured light anomalies on camera
Andrew	Whilst sitting quietly, could see a tall shadow of a man moving about the room, witnessed by other members of the team. - No explanation found
Darren	Felt ice-cold on the tops of his thighs for no reason. Felt that this was the energy of Elizabeth and Andrew asked her to move to another member of the team. After a short while, Darren's legs went warm and one other team member felt a cold breeze around him which wasn't their earlier. The cold breeze went and Darren suddenly felt the coldness on his thighs again. - No explanation found.
Team 3	Felt strange temperature and wind blowing around the room.
Team 3	Various members of the team saw strange lights moving near a sink - No explanation found
Team 3	Lady investigator felt as if a young boy was sitting on her lap.
Darren, Andrew	Andrew was sitting in a chair by the fireplace keeping an eye on the tall dark shadow. The shadow disappeared, however Darren said he could see it standing behind Andrew. After five minutes Andrew suddenly jumped out of the chair claiming that he had been grabbed from behind and felt like he was being lifted out the chair.

Ground Floor

<u>Investigator</u>	<u>Activity</u>
Team 3	In the bar area the team conducted a glass divination experiment. After a while, the glass started to move and they connected with two children called Ben and Charlotte. Then the glass started to move quite violently and a William was picked up. With the glass under the control of different investigators it continued to move violently until it was so forceful that the glass smashed on the floor. - No explanation found
Team 1	Team connected with a tall thin, bent over man. He was dressed in a black suit, carry a gnarled stick. He was a "Fagan" type looking gentleman. Felt he was a man of authority, possibly and land or factory owner. Felt he wasn't happy with woman being in the bar area, that it was solely an area for the gentlemen. Given the name of Jebediah or something similar. An old name.
Team 1	Steven connected with a young, girl with blonde hair and wearing a blue dress, name given as Emily or Amelia. Steven felt the girl was saying "Want my Mummy" and that she was scared. (A picture was later seen in a little alcove off the bar. The picture was of a blonde girl possibly wearing a blue dress. The picture was faded and it was difficult to see if the dress was blue or grey.)
Team 1	Felt some cold breezes going around them and heard knockings on request

Witches Room

<u>Investigator</u>	<u>Activity</u>
Stewart	Felt that a lot of black magic and devil worship, including sacrifice has been carried out here - Confirmed
Stewart	Connected with a lady who said she was a witch - Confirmed
Stewart	In his 'minds eye' saw a figure in black robes
Stewart	Connected with the name Kathleen or Katherine and with two children called Charlotte and Ben
Stewart	Felt that Charlotte and Ben had been murdered about 400 years ago, by a man named William Harrison
Team 2	Heard a loud buzzing noise which penetrated right inside the ear drum - No explanation found
Team 2	A couple of the team members tasted something metallic in their mouth, like blood, one said it was like he had just had a nosebleed - No explanation found
Team 2	Reported some strange temperature fluctuations, one team members hands had dropped to 9oC, whereas rest of his body was 28oC. The window glass was actually colder than inside of the room; temperature on the bed was 2oC colder on one side
Team 2	Two pieces of card mysteriously appeared on the floor, they were not present at the start of the vigil - No explanation found.
Sam	Connected with an old woman sitting in a chair by the fire. Woman was wearing a grey dress with a white shawl and a white cotton bonnet. She was rocking in her chair while knitting. Given name of Hilda - A woman answering this description was picked up on a previous investigation.
Team 3	Glass divination carried out, sadly with little results.
Darren	Had a metallic taste in his mouth - This was experienced by members of a different team earlier on the investigation
Team 3	A couple of the team had pains in their heads and felt sick
Team 3	Caught a couple of light anomalies on camcorder
Steven	Felt that there had been a severe fire in this area, a woman trapped in it.

Experiments

<u>Area</u>	<u>Activity</u>
Bar Area	Glass Divination - Interesting results, some violent movements which were impressive and happened with different investigators.
Bishops Room	Scrying - Interesting results as detailed above, witnessed by more than one investigator.
