Graveyard

Investigator	Activity
Team 3	The group smelt lavender, it appeared just as quick the smell disappeared - no cause found
Team 3	The group felt as if someone was watching them, then a pale light appeared and was moving around, on investigation no cause was found for the light source
Team 3	Connected with a male spirit called Thomas who was a stable manager in the 17 th century (1750's)
Team 3	Heard what sounded like army fire, and dogs barking!
Team 3	The presence of a boy was felt.
Team 1	Connected to an adult female spirit energy died in 1850's and had no family, she was said to be lonely and sad but enjoyed her music
John	Felt there was a blacksmiths and stables on the grounds - Confirmed
John	Commented on their being very old wells in the area - Confirmed
John	Felt that people had been thrown do the big wells - Not confirmed as yet.
John	Saw children aged 3-4yrs old playing - Confirmed
John	Felt a tightness around his throat , felt that 2 males had dueled in the area - Not confirmed as yet.
John	Lots of dogs seen in the area - Confirmed

Citadel Ruin

Investigator	Activity
Team 2	Ian thought he heard wartime music in the cellar area - No cause found
Team 2	When asking for a sign an unexplained noise occurred - No cause was found
Team 3	Connected with a girl called Jane, she was a servant / maid in the 1500's, she was a young girl and had been sexually attacked, it seems that she suffered in silence and that the incident was covered up, possibly happened in the servant's quarters.
John	John saw fire, the whole place was burning down, also heard the crackling of fire - Confirmed
John	Advised that the Citadel had very tall walls - Confirmed
John	Advised that many Kings and Queens and other important people had visited the House, mainly in Tudor times - Confirmed
Group	Whilst John was connecting with the spirits in the area his temperature dropped from 18oC to 13oC - No cause found
John	Saw that people had been hung in the area - Confirmed

Tea Room

<u>Investigator</u>	<u>Activity</u>
Team 2	Attempted table tilting, the table shook violently but did not lift off the ground.
Team 2	In the museum area there was a spot which made all the males in the group feel like they were being pushed forward but the female of the group had the opposite which was really strange!
Team 1	Attempted table tilting and the table vibrated violently then began to move, a leg also was lifted from the floor! - Strange!
Team 1	Hannah felt sick
Team 1	Connected with a male spirit energy called Arthur who died in the siege of Basing House, also a female called Catherine died of consumption but was not related to Arthur.
Team 1	There was a strong floral smell in the middle of the museum.

Experiments

<u>Room</u>	<u>Investigator</u>	<u>Activity</u>
Tea Room	Group	Motion Detector & Dictaphone - Motion detector was not triggered, nothing unusual heard on tapes
