This report is a compilation of the Ghost Walk and the group vigils throughout the night.

Outside

Investigator	Activity
Team 3	Members of the team felt the area was a mass graveyard 30 or more - Confirmed after we found out that the area is an ancient burial ground.
Team 3	Connected with a man who was hung from a tree, he used to work with horses and was wearing knee length boots; leather waistcoat had long hair and was from the 12 th Century.
Team 3	Felt a big battle once happened here.
Team 3	Children were and have been heard playing and laughing, Monks chanting and horses hoofs!
Team 2	A noise was heard outside, connected to Elizabeth when asking who the figure was in the Sonning room Elizabeth connected and said it was Mary but was not Mary Queen of Scots.

Windsor Room

Investigator	Activity
Nick & Louise	Felt a burning sensation in their eyes and 3 orbs were seen moving around.
Team 3	Connected with a female energy in her 20's
Team 1	Cold spots felt in the room
Team 1	Connected with a young girl aged 4 or 5, picked up a noise using the Canum but could not make out what it was
Team 1	Connected with a young boy who was mischievous, when asking for a 'sign' the door handle rattled - no cause was found.
Team 4	Footsteps were heard on the Canum - No cause found
Team 4	Heard a ball being bounced - on investigation no cause found
Team 4	Heard a thumping noise as if someone was trying to get out of the room - No cause found
Team 4	Kerry felt a tugging on her headphone cable and also a pulling on her arm - No cause found

The Love Nest!

Investigator	Activity
Team 3	Connected with a Knight in his 20's who was buried outside, he died of natural causes and was happy but he did confirm that their had been a strangulation in the room, The Knight died in the 1400's
Team 3	Noticed that the floor was vibrating - no cause found
Team 1	Walkie talkie was going on and off by itself - no cause found.

Henry VIII Room

Investigator	Activity
Eamon	Felt cold on his neck when moving the sensation stayed with him, when asked to describe what he was felt he said he felt taller and thinner wearing boots and a dark waistcoat, he also said his name was Alfred and the surname began with the letter 'J'

Sonning Room

Investigator	Activity
Team 3	Experimented with table tipping in this room and after a short period of time the table started to lift off the ground and 'walk around the room!', Team 3 felt at ease with this, members of the room saw flashes of yellow, white and red light, the lights were all over the room and got larger and smaller - No logical explanation can be found for this!
James Griffiths	Connected with Thomas who was a Church of England Monk or a Priest born in 1827, James also spoke to the Jester who was named Julius who problems with his speech and his legs and though nobody liked him.
Eamon	Saw a haze in the corner of the room where James had said that Thomas was standing although he did not see this haze anywhere else in the room
Team 1	Orbs were seen and temperature rose slightly from 24oC to 26oC for no reason.
Team 2	The team saw shadows, light blue orbs, flashes of lights and unexplainable noises - on investigation no cause was found.

Donnington Room

Investigator	Activity
Team 1	John felt his arm go cold and heard buzzing noises on Canum - No cause found
Team 1	John stood by the door and all of a sudden nobody could see him but did see a shadow of a tall man dressed in a long cape! - No cause found
Team 1	Whilst standing by the window, two members of the team felt sad and were shaking, they felt they were watching someone leave.
Team 1	In an armchair near to TV a member of the team felt as though someone had died there
Team 1	A member of the team felt that a fire had been started in this room by a man whose wife had an affair.
Heidi	Connected with a woman who had long blonde hair and a white dress, her husband was angry as she was having an affair!
Team 4	Flashes of lights were seen in response to questions been asked - No cause found
Team 4	Some members of the team felt a cold draught go past them - No cause found

Vansitart Room

Investigator	Activity
Team 1	When asking if any of the portraits in the room were significant to show a sign, a flash of light appeared on a portrait of a lady but it was not labeled.
Team 2	Very strange temperature changes were recorded, when temperature in the room dropped the team felt warm, when the temperature raised the members of the team felt cold! - No cause found.

Staff Room

Investigator	Activity
Team 1	Connected with a Monk called Thomas, Siobhan felt a nudge in her shoulder as the team were leaving and then had a pain in her left shoulder, Dom also felt a light touch on his arm - No cause found
Team 4	Felt there was a female energy in the room who was called Liz and was pregnant, also 3 male energies: one of a boy of 12 or 13 years of age, one a Monk and the last a man in black cloak with a frilly shirt.
Team 2	The team felt heavy and sleepy!
Team 4	Slight movement when table tilting, there was a lot of energy in the room
Team 4	When members of the team went to the far corner of the room some members felt a Monk's energy present, when Nick went to the corner some members of the team saw the Monk appear over Nick although Nick did not feel a thing! - No cause found.

Margaret Dickinson Room

Investigator	Activity
Team 4	Connected with a male energy called George who possibly had a Royal connection, he was pacing up and down and appeared to be angry / impatient wearing black boots.

Experiments

Room	Investigator	Activity
Gallery above Main Hall	Group	Motion Detector & Dictaphone - Motion detector was not triggered, nothing unusual heard on tapes
Various	Group	Trigger objects were left in rooms but no movement was recorded.
