

The Golden Fleece, York

7<sup>th</sup> March 2009.

**Report by Lee Murphy**

© Paranormal Tours Limited

Investigators: **Team 1:** Joanne Hepworth, Helen Hepworth, Davina Deniszczyc, Lynne Deniszczyc, Claire Murray **Team 2:** Jennifer Swinden, Firaz Habeeb, Tony Del Busso, Yvonne Del Busso

Specialists: **Clairvoyant Medium:** Paul Hunt **PT Crew Lead:** Lee and Rachel Murphy. **PT Crew:** Paul XL Ashworth

This report is a compilation of the Ghost Walk and the group vigils conducted throughout the night.

**Front Bar**

Investigator	Activity
Paul Hunt	Felt that the pub had connections with World War Two soldiers. <b>Confirmed</b>
Paul Hunt	Sensed the presence of a male energy dressed in black cloak and top hat by the name of James. <b>Confirmed. This spirit has been picked up on by other psychic investigations.</b>

**St. Catherine's Room**

Investigator	Activity
Paul Hunt	Sensed this room would have been a children's nursery. He picked up the name of Annie, who would have been the Nanny.
Paul Hunt	Picked upon a female spirit whom he felt would have been groomed into performing acts of prostitution in this room.
Paul Hunt	Sensed two children in the room, one boy and one girl. He felt that the children were not aware they had passed on.
Team 1	Sensed two spirits by the names of Marcus and Annalise. They had knocking noises on request, until they stopped suddenly and the torch light on the table increased dramatically, then returned to normal. <b>No explanation found</b>
Team 1	Attempted table tipping. No response
Helen	Sensed a presence right in front of her face at beginning of vigil. <b>No explanation found.</b>
Helen & Claire	Could hear noises from corner of room.

**Shambles Room**

Investigator	Activity
Paul Hunt	Sensed a Lady by the window, who had fallen to her death. <b>Confirmed</b>
Paul Hunt	Felt that this lady would have been prostituted in this room by a very menacing male. <b>Confirmed.</b> He was given the name Jane Cross
Paul Hunt	Felt that many people would feel physically drained in this room. <b>Confirmed.</b>
Lee	Felt extremely dizzy and light headed as though he were about to pass out upon entering the room, this intensified when he joined the circle team 1 had formed. This strange phenomenon came and went three times during the vigil. <b>No explanation found.</b>
Team 1	Davina and Claire felt something move between them several times.
Team 1	Witnessed a flash of red light above the bed, and at the door area. <b>No explanation found.</b>
Joanne	Had cold shivers between her shoulders and then down her spine.
Team 1	Picked up the name of John repeatedly through the vigil.

### Lady Peckett's Room

Investigator	Activity
Paul Hunt	Felt the owners of the building would have stayed in this room. <b>Confirmed</b>
Paul Hunt	Picked up a male energy by the name of Edward. He felt this man may have been restrained in some way in this room. <b>The name Edward has been confirmed with this room.</b>
Paul Hunt	Could smell a rotting sewage stench. <b>Confirmed.</b>
Claire	Felt lots of sensations around her head in this room
Davina	Was touched by something as she stood near the door.
Team 1	Felt oppressive feelings in the room, and heard tapping noises in the corner of the room.
Claire	During a scrying experiment Claire's face appeared to change to that of an old, bald, fat man. <b>No explanation found.</b>
Team 1	Connected with a male energy in his 40's who was not connected to the building, nor worked their during a crystal dowsing experiment.

### Minster Suite

Investigator	Activity
Paul Hunt	Felt very apprehensive in this room, as if someone was watching over him.
Paul Hunt	Felt the room would have suffered some kind of structural damage at some point in time.
Paul XL	Felt the room had connections with witchcraft. Paul Hunt could hear chanting.
Paul Hunt	Picked up the names of Jack and Tommy connected with the room. <b>Confirmed.</b>
Paul Hunt	Was given the surname of Bates as being significant to the room. <b>Confirmed.</b>
Paul XL	Heard footsteps and heavy breathing during his vigil with team 1. <b>No explanation found.</b>
Team 1	Attempted glass divination. The glass moved in a figure of 8, and Helen and Joanne felt cold breezes on the back of their hands.
Paul Hunt	During a scrying experiment the team witnessed Paul's face change shape to that of an old man. <b>No explanation found.</b>

Various trigger objects: No movement reported. Trigger object and motion detector experiment: No movement detected.
