Walkround with Medium

Area	Activity
Top of Stairs outside bedroom	Felt male presence, very powerful, name of Charles, wearing black with white shirt. Felt he was Edwardian. CONFIRMED Had feeling of lung problem in this area, possibly someone died from it CONFIRMED Could see tiny dog coming up the stairs Poltergeist activity would be experienced CONFIRMED Clock should not be there, someone comes to wind the clock but it has been moved and they are trying to find it
Next to Charles' Bedroom	Feeling of breathlessness. Female presence wearing starched, all white clothes. Has connection with Penny, the historian? Felt she helped/cared for people Someone associated with building had opium addiction Stewart felt a hand take his, very small like a child's. Connection with Lily of the Valley/name Lilly CONFIRMED, this name has come up on previous investigations
Small Back Bedroom	Felt this would be a good séance room Had image of a 'Jeeves and Wooster' type gentleman, name of Edward, dark horse of the family type. Has walking stick with Scottish Terrier top Doesn't feel this room is correct, was not used as a bedroom, felt more like a nursery as can see children playing with a dolls-house and rocking horse. CONFIRMED, was nursery and rocking horse confirmed Can see large, short woman looking after the children
Downstairs Dining Room	Stewart had stabbing feeling in shoulder, like he had been grabbed from behind and knife driven down through shoulder. Had feeling of being sucked out of the window. Historian confirmed others have felt this, connected with White Lady who roams the grounds outside
End Room with alarmed cases	Stewart felt he had been handed Rosary beads. Also felt clock tower had been removed. CONFIRMED

Kitchen Area

Investigator	Activity
Team 1	Crystal appeared to respond to questions and was moving unusually and vibrating
Team 2	Nothing reported
Team 3	Torch light dimmed
Team 4	When using glass, three separate spirits came through - Thomas who spun glass in circles, appeared to be a child and liked playing in the garden. Edward - who twisted the glass

	Jonathan - took glass to the corners One of the team felt back being pushed on the right side Heard noises behind them in the corner
--	--

Bedrooms
