Kitchen

Investigator	Activity
Jamie	Felt as if the kitchen prep would have been done in a different area. Felt the area he was in was used as a rest area.
Jamie	Linked with a gentleman about 5'10'' with a large stomach coming through this area. Felt he was a possible coachman, sensed he had a Kings Charles Spaniel.
Jamie	Also had links to a male Labrador dog - Confirmed, one of the previous owners owned a dog and bones from these dogs are buried in the grounds.
Client	One of the clients could hear servant's bells ringing.
Jamie	Linked with a man in his late teens early twenties, wearing an apron, doing menial tasks, mending and cleaning shoes. Name of Charlie with ginger hair and freckles 6 inch in height. Getting around in 1847. - Confirmed.
Jamie	In the 3 rd party of the kitchen area Jamie didn't feel that this room was right, the things that were in there shouldn't be - Confirmed.
Jamie	Again in this area he felt it would have been used as storage, he could see barrels stored there.
Team 1	Two members of the team felt they were touched by a dog. - Previous occupiers of the house owned many dogs.
Team 1	One member of the team felt very emotional - no explanation found
Team 1	One member of the team felt breathing difficulties.
Team 1	Felt a number of cold spots.
Team 1	Some of the team got the name of Jack.
Team 1	One of the team saw a dwarf like figure.
Team 4	Heard someone coughing - no explanation found.
Team 4	One of the team saw a silhouette of a person.

Servant Quarters

Investigator	Activity
Jamie	Felt very strong female links, name of Florence (Flo) and there should have been more than one bed in here. He felt this was an active area, he said things would move and cupboard doors would open.
Jamie	Felt the building had had a very high turnover of staff. He could see Florence with her hair pulled back in a bun. He also had the bizarre feeling that she would have been known to take her clothes off!
Jamie	Could sense that the chair had moved on its own in the past - Confirmed, this has happened before.

Jamie	Felt a letter had been found in this room, it was found under the floorboards under the bed. - Confirmed
Jamie	Jamie also felt that people had found love letters in the house - Confirmed
Jamie	Linked with a Nanny, a very controlling lady, he felt she was a religious person and people have sensed her in the house before.
Client	Felt a connection to a lady in waiting by the name of Charlotte.
Client	Felt as if the room should have been a nursery - Confirmed
Jamie	Had a headache in this room, lots of others felt this too.
Jamie	Felt this would have been a male dominated room.
Andrew	Felt that something had been thrown in this room - Confirmed, the Manor has had numerous accounts of objects being thrown here.
Team 1	Some of the team did glass divination, had some movement and linked with a Jack and a small girl.
Team 1	One of the team felt like they were being affected by the energies.
Team 1	Some of the team felt cold breezes moving around the table.

Jamie	Felt as if a curse had been put on the family.

Dining Room / Drawing Room

Investigator	Activity
Client	Felt as if the room had been used for some kind of military planning.
Jamie	Would have heard laughter and banging in this room.
Jamie	Connected with a lady who liked being the centre of attention. Fairly tall for a lady 5'11 and 6', she lived here and would of liked to show her home off.
Jamie	Didn't feel as if it was an original dining room.
Jamie	Flashing lights have been seen in this room - Confirmed
Andrew & Jamie	Could sense a duel with swords. Man in his 60's and one in his 40's, been heard up and down the corridor. They felt the younger man was called Rupert.
Client	Felt as if the other man was the father of the girl they were fighting over.
Jamie	Felt as if there was a rival estate nearby.
Jamie	Thought the boundaries had been bought in as recent as 1920. - Confirmed
Jamie	Felt as if there was a fruit tree which was used in a suicide. Felt an air of misfortune.
Jamie	Did not feel the sitting room was an active room.
Jamie	Sensed a man with a large beard, isolated in his thoughts. He had wrong thoughts of sorts with regards to the family. He was a very secretive man. He was thought to be responsible for pregnancies in the household.
Jamie	Picked up a 'small' person who would have passed with polio.
Jamie	Felt as if loud thuds have been heard.
Team 1	2 members of the team's faces appeared to change.
Team 2	Some of the team heard noises coming from the window. - no explanation found
Team 2	The team linked with a man who they thought was a Colonel in a red tunic with a handle bar moustache and facial hair.
Team 4	One of the team felt that they were very heavy like they were stuck to the floor.
Team 4	One of the team linked with an energy called Annabelle, also a man with a cap.

Trophy Room

Investigator	Activity
Team 1	One of the team was glass divining and got a link with Wymering Manor.
Team 2	Heard whistling - no explanation found
Team 2	The team did some glass divination and it was moving on request.
Team 2	One of the team was scratched and another felt a tug on their jacket.
Team 2	Some orbs were seen in the room.
Team 3	Heard knocking from the corner of the room - no explanation found.

Team 4

Felt an energy of a man who died in a fire, they felt he was a military figure with a handlebar moustache, felt he was a sergeant or Corporal - **this gentleman has been linked to the Manor before and also came through for another team on this event.**
